

# DUAL CREDIT

EARN HIGH SCHOOL AND POST-SECONDARY CREDITS AT THE SAME TIME FOR NO COST

## WHAT IS DUAL CREDIT

Students earn credits in both High School and Post-Secondary at the same time. Students can take regular post-secondary courses while enrolled in high school, earning **5 high school** 30 level credits and **3 post-secondary** credits upon successful completion of each course.

## THE FUTURE AWAITS

Have a competitive advantage for post-secondary and be positioned for careers in industries requiring a capable and dynamic workforce. **Explore an area of interest to understand if that pathway is right for you!**

## INCREDIBLE VALUE

Earn program-transferable credits without paying post-secondary tuition! **Dual credit courses are offered at no charge to students.**

## MAXIMIZE YOUR TIME

Complete/explore post-secondary courses while still in high school. Easing the transition into your post-secondary program. **Partnerships exist with multiple post-secondary institutions.**

## BUILDING AN ADVANTAGE

Successfully completing a post-secondary course in high school helps build an application/resume to competitive post-secondary programs. **Online or blended delivery of programs, so students experience programs from home!**
